19th October 2020

Dear Parent(s)/Carer(s)

Re. Confirmed cases of COVID-19 (19th October 2020)

We have been informed of two confirmed cases of COVID-19 within the school over the weekend – one Year 12 student and one member of staff.

The member of staff had already been self-isolating for two days before the onset of symptoms, and therefore there are no 'close contacts' from within the school community that need to self-isolate.

Those children and staff members who have been in direct prolonged contact with the confirmed case (Year 12 student) will have received an individual letter advising them to self-isolate in line with the national guidance.

If you have not received a letter identifying your child as a close contact your child is not advised to self-isolate on account of the cases in the school. This letter is for your information only.

Thank you for your continued support.

Best wishes

Mr Jeremy Scott
