Dear Parent(s)/Carer(s)

**Re. Covid-19 National Testing Programme (11<sup>th</sup> January 2021)**

I wrote to you on 17<sup>th</sup> December 2020 about the school's preparations to take part in the Covid-19 national testing programme. Since then, the school has been working hard to implement the plan and we are now starting to roll out lateral flow testing for staff and students who are currently on-site.

I would like to thank members of the school community who have put themselves forward as volunteers. Without the help of volunteers, we would not be able to operate the programme without disruptions to the running of the school, something I am obviously keen to avoid.

I would like to take this opportunity to make a final request for anybody else who might be interested in volunteering. If this is something you or a family member might be able to be involved with, we would be grateful if you could email an expression of interest to [volunteer@johnwarner.herts.sch.uk](mailto:volunteer@johnwarner.herts.sch.uk) by Wednesday, 13<sup>th</sup> January 2021.

Thank you for your continued support.

Yours faithfully

Mr Jeremy Scott
