23<sup>rd</sup> July 2021

Dear Parent(s)/Carer(s)

As we approach the end of the academic year I wanted to ensure you were aware of the arrangements for your child as they join us in September. As a pastoral team we are incredibly excited to welcome our new Year 7 cohort onto the school site and offer an exciting range of activities and subjects for them to get a flavour of what to expect from their lessons.

Our welcome video below will introduce you to the Pastoral team who will be working alongside your children when they join us in September.

<https://m.youtube.com/watch?v=SGnCo2Pmqr8&feature=youtu.be>

During the summer break students have the opportunity to attend our Summer School which allows students the chance to mix with their fellow students in Year 7 and orientate themselves around the school site. During the summer school our IT department will be taking student photographs for our school systems and scanning their fingerprints to be linked to their wise pay accounts. If any students are not attending summer school we will complete this on their induction day.

Summer School is taking place between **23<sup>rd</sup> - 27<sup>th</sup> August 2021 9:45am - 2:45pm**

Students will be joining us for their Induction day on **Friday 3<sup>rd</sup> September 2021** where they will need to arrive at school through the main school entrance at **8:30am** in preparation for their assembly in the Main Hall with Mr Scott - Headteacher. Students will be welcomed by their form tutor who will spend the day in their lessons getting to know them and navigating around the school site.

We would ask that parents do not come into the sports centre car park or front entrance with their children on the 3<sup>rd</sup> September. The first day of secondary school is always momentous but parents will not be able to come onto the school site therefore please encourage your children where possible to walk to school as the car park and front of school will become congested and the safety of our pupils is paramount.

During the day we will provide a drink and snack at breaktime for all pupils but would ask that parents supply a packed lunch and bottle of water for students to have at lunchtime where they will be watching musical performances from our Year 12 musicians. Free School Meal pupils will have a packed lunch provided for them on the day. Hopefully the weather will continue to be glorious.

During the day any students who we have identified as Pupil Premium will be receiving an equipment pack.

We are very much looking forward to meeting you.

I wish you a restful and safe summer break.

Yours faithfully

**Jennifer Pope**
