Dear Parent(s)/Carer(s)

Re. Primary Transition Day Cancellation

It is with a heavy heart that we have been advised by Hertfordshire County Council today that a county wide decision has been made for the Primary transition day to be cancelled due to the ongoing risk of mixing primary school bubbles and potential outbreaks of COVID 19. It was important to share this information as soon as we were made aware but as always, our pupil and staff safety much take precedent.

Before Wednesday 30th June 2021 I will be updating both parents and children on a range of provisions that we will be able to deliver both virtually and as activities. We will ensure alternative arrangements are made and are an exciting introduction for all pupils starting their Secondary school experience.

We are however still attending all Primary school transition visits so a member of the Key Stage 3 Pastoral will have met and presented information to all children joining us in September giving them the opportunity to ask any questions they may have.

Yours faithfully

Jennifer Pope
