5th October 2020

Dear Parent(s) / Carer(s)

Year 11 Future Options and Sixth Form Expression of Interest for 2021

Now that the Year 11 students are back in school and working well on their studies, we would like to encourage them to start thinking about what they would like to do once they have completed Year 11.

All students will have the option to continue their studies into the Sixth Form at John Warner, and as such we would like to begin the process of students exploring this option as early as possible. At this stage, we are looking to see what subjects our students would be interested in studying in the Sixth Form so that we can look to structure our Sixth Form curriculum to best meet the needs of our students. Please support your son/daughter to complete the following online survey which can be accessed by clicking [here](#).

Please note that this is just an initial expression of interest. Students are not signing up for the Sixth Form, and will not be restricted in the future by any selections they make. Equally, the school is not guaranteeing that all of the subjects listed will eventually be offered. However, the more information we receive, the better we will be placed to plan our Sixth Form curriculum to match the needs of all of our students.

Further details concerning the Sixth Form, and the application process, will be made available in due course, together with information of our Sixth Form Open Evening. We are pleased to confirm that all students will receive personalised guidance regarding their chosen pathways throughout Year 11.

In the meantime, if you do have any questions relating to the Sixth Form, or future options, please do not hesitate to contact us.

Kind regards

Stephen Cove

Assistant Headteacher

Director of Post-16 Education
