SRC/srh

11th November 2020

Dear Parent(s) / Carer(s)

We are writing to inform you of the formal launch of our virtual Sixth Form Open Evening and application form.

Due to national restrictions we are unable to hold our traditional on site open evening, so we have instead produced a range of video resources to view, and to support students with their decision making.

The main Open Evening presentation can be viewed by clicking [here](#). This presentation gives a flavour of our Sixth Form, the subjects we offer, and details of how to apply.

We also have a series of subject specific videos which should prove helpful for students as they consider the courses they would like to study in the Sixth Form. The full collection of videos can be accessed by clicking [here](#).

The option blocks for September 2021 are presented within the main presentation and can also be found by clicking [here](#). We have constructed our option blocks to make as many subject combinations as possible available to the students. However, if students do have subject clashes then they should indicate this on their application form and we will see if any adaptations can be made. Students should also consider alternative subject choices should some combinations remain unavailable.

In order to formally apply to join the John Warner Sixth Form for September 2021, students must complete our application form which can be found by clicking [here](#). The form is an electronic document which is to be completed and submitted online. Please note the deadline for submission of applications is Friday, 11<sup>th</sup> December 2020. We are unable to accept paper submissions, so if you require any support completing the application then please contact the school.

All students will be offered a Pathway meeting in January 2021, and we will be able to discuss individual applications in detail.

Further information about all aspects of the Sixth Form are available via the school website.

We look forward to receiving your son/daughter's application to the Sixth Form, and if you have any questions regarding the Sixth Form, or the application process, please do not hesitate to contact us.

Kind regards

**Stephen Cove**

Assistant Headteacher

Director of Post-16 Education
